Lyrics

Thank you, thank you, thank you
For that nice thing you did,
Your kindness really made us smile.

Thank you, thank you, thank you
For that nice thing you did,
You really went the extra mile.

Thank you, thank you, thank you
For that nice thing you did,
Your contribution made its mark.

Thank you, thank you, thank you
For that nice thing you did,
You absolutely knocked it out the park!
